

LeRoy Nosbaum Engineering Scholarship Program

THE PROGRAM

Itron, Inc. has established a scholarship program to assist students in a STEM related field (Science, Technology, Engineering or Mathematics) who plan to continue their education in college and accept a paid internship with the company. Renewable scholarships are offered each year for full-time study at one of a number of selected institutions in the United States.

This scholarship program is administered by Scholarship Management Services®, a division of Scholarship America®. Scholarship Management Services is the nation's largest designer and manager of scholarship and tuition reimbursement programs for corporations, foundations, associations and individuals. Awards are granted without regard to race, color, creed, religion, sexual orientation, age, gender, disability or national origin.

ELIGIBILITY

Applicants must meet all of the following criteria:

- Students must be classified as third or fourth year students for the 2012-2013 academic year.
- Be pursuing a degree in a STEM related field (Science, Technology, Engineering, or Mathematics).
- Be enrolled in full-time undergraduate study at one of the following universities for the entire 2012-2013 academic year:
 - Clemson University
 - Eastern Washington University, Cheney
 - Minnesota State University, Mankato
 - North Carolina Agriculture & Technology State University
 - North Carolina State University
 - University of San Diego
 - Washington State University, Pullman
- Accept a paid internship at an Itron, Inc. research and development location. (Students who do not accept or do not complete the internship with Itron, Inc. will immediately forfeit their LeRoy Nosbaum Engineering Scholarship.)

AWARDS

Up to ten (10) awards of \$5,000 will be granted in 2012.

Awards may be renewed one additional year or until a bachelor's degree is earned, whichever occurs first. Renewal is contingent upon satisfactory academic performance in a full-time course of study in a required major.

Awards are for undergraduate study only.

APPLICATION

Interested students must complete the application and mail it along with a current, complete transcript of grades and any other required documents to Scholarship Management Services postmarked no later than **February 1**. Grade reports are not acceptable. Online transcripts must display student name, school name, grade and credit hours earned for each course, and term in which each course was taken.

Applicants are responsible for gathering and submitting all necessary information. Applications are evaluated on the information supplied; therefore, answer all questions as completely as possible. Incomplete applications will not be evaluated. All information received is considered confidential and is reviewed only by Scholarship Management Services and Itron, Inc.

SELECTION OF RECIPIENTS

Scholarship recipients are selected on the basis of academic record, demonstrated leadership and participation in school and community activities, honors, work experience, statement of goals and aspirations, unusual personal or family circumstances, and an outside appraisal. Financial need is not considered.

Scholarship Management Services will verify potential recipients are clear with Homeland Security and the Patriot Act.

Scholarship Management Services will select up to 24 finalists, and Itron, Inc. will select recipients. All applicants agree to accept the decision as final.

Applicants will be notified in early April. Not all applicants to the program will be selected as recipients.

PAYMENT OF SCHOLARSHIPS

Scholarship Management Services processes scholarship payments on behalf of Itron, Inc. Payments are made in one installment on August 15. Checks are mailed to each recipient's home address and are made payable to the school for the student.

OBLIGATIONS

Recipients are required to complete a paid internship at an Itron, Inc. research and development location. They are also required to notify Scholarship Management Services of any changes in address, school enrollment, or other relevant information and to send a complete transcript when requested.

REVISIONS

Itron, Inc. reserves the right to review the conditions and procedures of this scholarship program and to make changes at any time including termination of the program.
